

Master Clubs!

Charter Renewal 2009-2010 Application

Dear Master Club Church,

I would like to take a moment to thank you for your leadership in Master Clubs. As the Club director at our church, I know the time that it takes to train and recruit leaders and all the other work required each week. May God bless you for your labor of love for Him. It is always our joy to hear testimonies from churches just like yours. We pray that you are seeing fruit from this ministry as you witness your kids growing in the knowledge of God's Word and learning to serve the Master with their life. Thank you again for using Master Clubs in your church, and please call or email us if we can ever help you with anything in your ministry. May God continue to bless your family and ministry as we continue to serve Him together.

Loving kids through Christ,
