OUR GREAT CREATOR GOD

This time, let's talk about our great God who made everything!

IMPORTANT FACTS FOR US TO KNOW

1. In the beginning, there was nothing but God. There was no world, no stars, sun or moon; there was only darkness.
2. Creation was God's plan.
3. God created everything out of nothing. Only God has such power.
4. God made all things in their perfect place. God made the sun to give light to our world, because God loves us.
5. God keeps all of His creation working. Because He cares, the sun comes right on time every day of our life!
6. God gives us beauty in the flowers and trees and lakes and bright clouds.

Leader Note: Use your creative expressions and feelings as you talk about God's great creative works. Pick out a few verses in Genesis chapter 1.
