THE AWARD VEST

Follow these guidelines for arranging badges on an award vest.

Front of the Vest

You do not have to place your badges in any particular order according to badge name. Simply attach each badge in the order it is earned, starting with position ten. Do your best to keep your badges in a straight row. A well-covered vest is a testimony of your work to serve the Lord!

Back of the Vest

Great Bible Stories Badges. Third graders can earn three Great Bible Stories badges. These badges should be placed on the back of the vest. Place the first badge in the middle of the vest one inch from the bottom seam. Future badges may be added to either side.

Competition Badges. Badges that can be earned from Regionals, Mailbox Contests, and other special events should also go on the back of the vest.

AWARD RIBBONS

Award ribbons are not worn on the vest. Ribbons are for display at home!
