## Serving My Master Badge

### Student Instructions

This is a wonderful award to add to your Award Vest. Projects 4 and 5 will take advanced preparation. At home, begin to work toward completing these projects now!

### Bible Memory Verse

Serving the Lord cannot take the place of obedience. Obedience begins as we obey God's Word, and should begin early in life by obeying your parents.

Several of your memory verses in the Serving My Master badge will teach you about obeying your parents. Prove your obedience at home, and God will greatly bless you as you serve Him throughout your life.

### Proverbs 1:8

### Verse 3

## Your Testimony

Giving your testimony is telling others about the time you received Jesus Christ as your very own Saviour. (If you have never received the Lord, let your leader know now.)

**A.** Your leader will ask you about your own testimony of when you came to know Jesus Christ as your Saviour.

**B.** At home, practice giving your testimony, and answer these four questions:

1. Why did you need the Lord?
2. Who saved you?
3. Exactly what did you do to be saved?
4. Can you include one or two Bible verses that are relevant to your testimony?

**C.** Practice giving your testimony to your Club leader. Your leader will listen and help you with ideas and ways to improve sharing your testimony for Jesus.

**D.** When your leader feels you are ready, he or she will schedule a time for you to give your testimony in Master Club!

### Leader Note:

- Work on this with your children. Demonstrate how to give a testimony by sharing your own. Keep it simple. Keep it in line with the ideas above. Allow them to practice during Book Time. If the child is still unsaved, alter this requirement to teach him or her more about salvation. Use the primary's Membership Requirements or a Gospel tract as a guide.

## Serving the Lord at Home

Select one of the two projects below. Complete your project at home; then bring your project to Club to be displayed and passed by your leader.

**OPTION 1.** Draw and color a poster to invite children to Sunday school. If you were putting your poster somewhere to be seen, what should it say? It must be neat, colorful, and inviting to a child your age. Design it at home, and bring it to Club.

**OPTION 2.** Collect some items from God's beautiful creation to display. Create a nice display to show in Club. Use a card with a Bible verse about creation to display with your objects. Select from things like:

- Leaves: Pictures or real leaves
- Trees: Bark, stick, or pictures
- Sea Shells: Pictures or real shells
- Birds: Pictures of all types of birds in your state
- Rocks: Samples or pictures of different kinds of rocks
- Flowers: Pictures and real flowers, fresh or dried, especially wild flowers.
