

Regional Competitions Pre-Registration Form

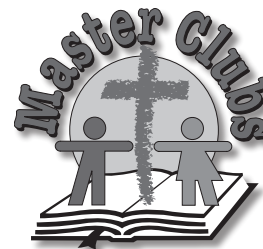

Begin planning today to attend one of our eight Regional Competitions this spring. Start your planning by marking your calendar, then complete this Pre-Registration Form. Upon receiving your paid pre-registration of \$30, we will send you a Regionals Planning Guide which will give you the details of all events for the 2010 Regionals with ideas on how you can prepare your Clubbers to do their best. Each participating church must pre-register and order a new Planning Guide each year because of schedule and event changes, new events, new forms, and other improvements to the Guide. This \$30 pre-registration covers the expense of the notebook and registers your church. Each Clubber will then register on the day of the event for \$10 per participant.

Your Clubbers, parents, and leaders may also download instructions and study guides for individual events from the Events section of our website at www.masterclubs.org.

We are excited about the extreme amount of interest that has already been shown in these competitions this year. If you have not been to a Regional Competition, start a new tradition this year by attending the Regional of your choice. Please call us at (800) 451-5023 or email info@masterclubs.org if we can answer any questions or make this easier for you.

Please pre-register our church for the following 2010 Master Club Regional:
