

INDIVIDUAL BIBLE QUIZZING

PARTICIPANTS: BOYS AND GIRLS COMBINED

JUDGING CLASSIFICATION: TWO GROUPS (3RD & 4TH, 5TH & 6TH)

LIMIT: 12 PER CHURCH

BASIC RULES FOR INDIVIDUAL QUIZZING

- Students **cannot** compete in both Team and Individual Quizzing.
- We use the QUIZ-TIME “jump-seat” type of quiz pads. Master Clubs now sells these machines which have 15 seats/pads. Just ask for item # 91611 which is \$350. The pads are spring loaded and placed near the front of the chair. Pads are very sensitive to the child’s weight. Once released of their weight pressure, the child’s light (on the control panel) glows; only the first child to leave their seat will activate a light. Therefore, the first light activated is responsible for the question and answer.
- Our quiz rounds will normally consist of 15 correctly answered questions.
- Correct answers are worth 20 points each.
- An individual quizzier will QUIZ-OUT after scoring 140 points in any round. The audience will applaud the quizzier’s efforts, and he/she will sit-out the rest of that round. The remaining players will stay in the quiz to answer more questions.
- Please read pages 36-43 for more details about Bible Quizzing.
- Contestants could earn the Scripture Memory 7 badge while preparing for this event.
- See the tie breaker rules on page 40.
