# Bible Quiz Team

## Quizzers Earn Four Badges in Four Years

This merit badge is to honor those in your Master Clubs that quiz as a representative of your church during the year. A Clubber may earn each of the four badges only once. Use the Scripture Memory Tracker at the end of each Ambassador Discipleship Guide (Bronze, Silver, and Gold) to see the list from Scripture Memory that will be used for each respective Crown Quiz at Regionals. Keep in mind also that when a quiz is given over any Crown, the first badge project is also included (Bible Study 1, 2, and 3).

## Regionals Attendees

All of the Crown Quizzing is individual, but each church will enter various clubbers that will be representing their church. In essence, each church will then bring a “team” of boys and girls to represent them although points are only allotted per individual in the quizzing. If you are on your church’s “team” and you compete in Regionals then you only need to participate to earn the badge. Your leader may have additional rules as to what will qualify you for the badge however. This decision is entirely up to your leaders – don’t skip out on practice!

## Non-Regionals Attendees

Sometimes, your distance from an official Master Clubs event does not allow your own church to attend. However, you can still earn the Bible Quiz badge. In this case, you must be prepared to quote 10 verses to your leader and answer correctly 5 questions about the Bible Study Badge (1, 2, or 3). Your leader can decide to give this information to you orally or in a written quiz. You may only have one “help” per verse, and you are not allowed to miss any of the 5 questions about the Bible Study Badge information.

# Old Testament Themes

Once you have memorized the Old Testament Books and the Theme for each, you will want to retain them in your long-term memory. In Club, we help you accomplish this by utilizing your memory work in a game called Old Testament Themes. Knowing these themes will help you better understand the Bible. Memorize both the Book and the Theme.

**CHECKpoint One:** Your leader will ask you to say the 39 books of the Old Testament out loud and in order. To pass the Checkpoint, you may only receive three helps from your leader. You may retake your Checkpoint once each week.

**Leader Approved:** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

**CHECKpoint Two:** Your leader will choose any ten of the 39 Old Testament books. Your leader will ask you to say the Theme for each of the ten books. To pass the Checkpoint, you must be able to say 9-out-of-10 Themes correctly. You may retake your Checkpoint once each week.

**Leader Approved:** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

**CHECKpoint Three:** Your leader will set up a table with the Master Clubs Old Testament Themes game, or three-by-five cards, laying face up. You will be handed a stack of similar cards, containing the 39 Theme cards. The object of the game is to place each Book card atop the Theme card as fast as you can. Both accuracy and speed will make the difference for you.

**Scoring:** This is a timed game. Your time starts when you pick up the stack of 39 Theme cards. Your time stops when your last card is in place. You must complete all cards within three minutes. Your leader will then check for errors. You are allowed a total of four cards to be out of place. You may retake your Checkpoint once each week.

**Leader Approved:** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

**WAYpoint:** I can say the 39 books of the Old Testament in order, and I can say the themes of each book.

**Ambassador's Name:** \_\_\_\_\_

# Christian Character

Jesus said, “Ye are my friends, if ye do whatsoever I command you.” (John 15:14) The Word of God is not just for reading; nor is it just for memorizing certain verses; it is for LIVING! God desires that we strive to perform whatever He commands us! This badge helps you to do just that—read the Word of God, memorize the Word of God, and live the Word of God.

You may pass only one section per week. Completely read each Scripture passage listed below. You will need to prepare for each week’s project at home to pass it during Club.

# Preacher Boy

This badge may be earned by any boy. This does not mean that God has yet “called” you to be a preacher. This is to help you understand more about the man of God we call “Preacher.” It is a wonderful thing when and if God speaks to your heart about being a preacher of the Gospel. God doesn’t ask everyone to be in this role, but He just may IF you are willing. Your own father or pastor could help you know for sure if God wants you to be a preacher some day. If you have any thoughts now about this, please discuss this with your leader.

## Faithfulness

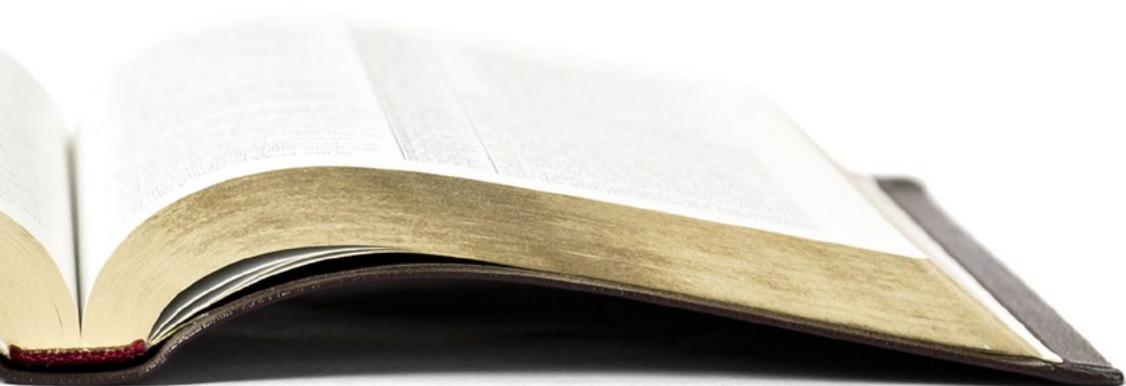

Your pattern of faithfulness will be checked by your leader with your Sunday school teacher. You will need to have already earned the Sunday School Faithfulness merit badge at least once to pass this requirement.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

## Sermon Notes

Turn in to your leader at least five sermon notes which you have taken. The same notes you used for the Sermon Notes badge cannot be used here. The notes should contain the preacher’s name, date, Bible reference, and main points. At the bottom of each sermon note should be a section entitled “What It Means to Me.” Your leader may REJECT any notes for lack of neatness, too few notes, etc. (See page 65 for a sample outline.)

## Daily Devotions

Use the devotional guide in this book. The key is to spend time with God daily. After each reading, answer these two questions:

- What is this passage about?
- What does this mean to me?

Tell your leader once you have had your devotions faithfully for five weeks.

Leader Passed: \_\_\_\_\_ Date: \_\_/\_\_/\_\_

## Preaching Lessons

Complete the lessons below. Do one each week for three weeks. You will need to be able to pass a quiz covering all three lessons. Where blanks appear below, fill in the missing words.

### Lesson 1

#### The Message We Preach

1. The message is in the Word.

Only the **Bible** tells us how to be saved. Only in the Bible can we know for sure that we know Christ. Only the Bible tells us how to please God.

Look up Psalm 119:89.

“For ever, O LORD, thy \_\_\_\_\_ is \_\_\_\_\_ in heaven.”

Look up Psalm 119:105.

“Thy \_\_\_\_\_ is a lamp unto my \_\_\_\_\_, and a \_\_\_\_\_ unto my path.”

2. The message is His Word.

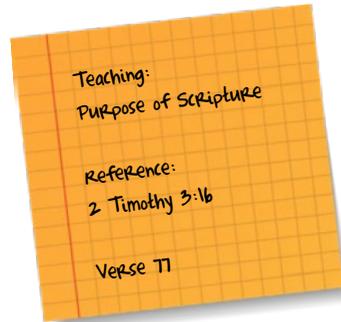

The preacher can help others to understand the Bible more clearly, but the truth is God’s Word. The preacher may use illustrations to help people understand God’s truths more clearly, but the truth is found in the Bible not the illustration. A preacher’s message to people is God’s message—not his own.

Look up 2 Corinthians 4:5.

“For we preach \_\_\_\_\_, but Christ Jesus the Lord; and ourselves your servants for Jesus’ sake.”

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

## Lesson 2 The Man Who Preaches

1. The message is given by the Holy Spirit.
  - a. The message is found through study.

Preachers first read the passage. Then, they read it again. The Holy Spirit of God takes the Word of God and teaches the man of God. The man of God then preaches the truths of God from God's Word.

Look up John 14:26a.

“But the Comforter, which is the \_\_\_\_\_, whom the Father will send in my name, \_\_\_\_\_ shall \_\_\_\_\_ you all things...”

- b. The message is found through prayer.

A preacher asks God in prayer to teach him the truths of His Word.

Look up Psalm 119:18.

“Open thou mine eyes, that I may behold wondrous things out of \_\_\_\_\_.”

2. The message is preached in God's power.
  - a. The preacher must have a clean heart before God.

Look up Psalm 119:9.

“Wherewithal shall a \_\_\_\_\_ cleanse his way? by taking heed *thereto* according to \_\_\_\_\_.”

First, the preacher keeps his own life clean through the Word. **Unless the preacher is clean, he has no right to preach God's Word** and no right to preach to others. Are you clean? Would God be honored by your lifestyle?

# Preacher Boy

b. Let God's Word do Its work.

Look up 2 Timothy 3:16. Here we see why we need to teach and preach God's Word. Read the verse, and fill in the blanks. **Memorize this verse for your quiz.**

"All scripture is given by \_\_\_\_\_ of God, and is \_\_\_\_\_ for \_\_\_\_\_, for \_\_\_\_\_, for \_\_\_\_\_, for \_\_\_\_\_ in righteousness:"

**Date 1:** \_\_\_/\_\_\_/\_\_\_ **Leader Passed:** \_\_\_\_\_

**Date 2:** \_\_\_/\_\_\_/\_\_\_ **Leader Passed:** \_\_\_\_\_

God's Word is preached to do all the things above. God will bless His Word to those who hear the preacher. It's God's Word that changes lives.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_/\_\_\_/\_\_\_

## Lesson 3

### The Message Preparation

The following four words will be a guide as you prepare to preach your message. Memorize the following four words.

## Read — Explain — Illustrate — Apply

### 1. Read

As you ask God for a message, your first step is to read the Bible passage. Read it once for basic content. Read again, jotting down one or more key thoughts.

Try it right here. After reading John 3:16-18 twice, write down at least 2 key thoughts:

(1) \_\_\_\_\_

(2) \_\_\_\_\_

### 2. Explain

Here is one test to discover if you are explaining your message clearly enough: when you give your conclusion, could you summarize your message in one sentence? Remember, "Easy to remember, harder to forget."

# Preacher Boy

For example, if you use the verse “For the wages of sin is death,” explaining the word “wages” would help your people to understand more clearly. You could say it like this, “Wages is what I get for what I do. So, the Bible is teaching us that what I get for my sin (the wages of sin) is death.” Short, simple explanations help your listeners to understand. (Romans 6:23)

### 3. Illustrate

After reading the passage to your audience and explaining words in simple terms, now you help them understand the concepts even more by illustrating. Here are three types of illustrations:

#### A. Bible Illustration

Usually, there are one or more other Bible stories which teach the same principles.

#### B. Real-life Illustration

Read or think of someone recently to whom something happened that is relevant to your lesson.

#### C. Live Demonstration

Act out, in your message, the truths you are teaching.

### 4. Apply

The last part of your message is to apply the Bible toward the audience. In other words, what does this truth mean to them? Encourage your audience to ask themselves questions like these: Should I live or act that way? Am I living that way now? Do I need to change? Do I raise my hand? Should I go forward? Will someone help me? The preacher needs to direct each listener to follow the leading of the Holy Spirit. God can greatly use you to preach His wonderful Word!

## Young Preacher Quiz

Study the three previous lessons in order to pass a quiz.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

## Preach Your Message

This is the final test. Ask your leader, father, or pastor to help you decide upon a passage of Scripture from which you will prepare a five-minute sermon. They can help you pick a passage and “coach” you in developing and preaching your message. You may preach your message in Sunday school, church, a retirement center, Regional Competitions, etc. Notice the sample message outline on the following page.

Practice preaching to yourself, in front of a mirror, then to one or two others before your leader has you preach to your Club group. You should dress up the best you can when preaching to your Club group. Ask God to help you do well!

## "The Blessing of Yieldedness"

1 Kings 17:8-16

Throughout the Bible, God shows us that He blesses people who yield themselves to Him. Abraham yielded to God (Genesis 22); Gideon yielded to God (Judges 7:12); Hannah yielded to God (1 Samuel 1-3); and David yielded to God (1 Samuel 17:37, 45-46).

What does it mean to yield to God? It means this: what I want no longer matters; only God matters. A servant should be empty to his personal wants and be completely yielded to his master's needs. (cf. Luke 17:7-9)

If we will understand and apply these four truths about yielding ourselves to God, we will experience the blessing of God in our lives.

1. **Realize that God wants us to yield to Him.** ("I have commanded a widow woman" 1 Kings 17:9) If you do not yield to God, it will affect more than just you. If this woman had not yielded to God, her son would have died of hunger.
2. **Realize God wants us to yield all we possess to Him.** (1 Kings 17:10-11) This woman was willing to fetch water for Elijah. But when he asked for her food (the last she possessed), she questioned his request. God wanted this woman to go a step beyond getting the water. He wanted her food too. Giving God all we possess takes faith.
3. **Realize yielding myself to God is for His glory.** (1 Kings 17:14) When we yield to God, He is not only able to show us how great He is; but He is also able to show the whole world how great He is (see Daniel 3:8-20, 28).
4. **Realize that yielding myself to God is for my good.** (1 Kings 17:14-16) If she had fed herself first, her food would have been gone in one day; but because she gave it to God first, she was able to feed her family for three years. (cf. Luke 6:38)

In your life, what is the flour pot or cruse of oil that you are holding back from God? The ones who are willing to give their flour pot and cruse of oil to God will never lack God's provision in their lives—that's the blessing of yieldedness.

# Bicycling Badge

## Being Safe on Your Bike

To earn the Bicycling merit badge, you must pass the three sections listed below: Bicycling Safety, Knowledge of Parts, and the Riding Test

## Bicycling Safety

Study this section, and be ready to pass the Bicycle Safety quiz. Study especially the words in **BOLD TYPE**.

- Bicycles must **obey all regular automobile traffic laws**, including stop signs, traffic lights, and one-way streets. All other traffic signs must also be obeyed.
- **Use hand signs to indicate turning or stopping.** Study the same signs required by motorists. You must demonstrate these signs properly as your leader checks this section.

**Right Turn**

**Left Turn**

**Slow/Stop**

- Bicycles should be **kept off busy streets**. If used on sidewalks, **pedestrians have the right of way**.
- Keep right: **drive with traffic, not against it**. Ride your bike **single file** when riding with others.
- Watch for hazards. Keep your eyes **alert for sand, gravel, pot holes, or other surface hazards**.
- Watch out for turning cars and sudden stops. **Walk your bike across busy intersections**. Drive defensively (this means to be aware of what is going on around you).

# Bicycling Badge

- **Never be pulled** or towed by another vehicle.
- **Stay off bikes at night time**—that's the best idea. In most states you must use a headlight with a white light visible from at least 500 feet ahead. A red reflector should be visible from at least 50 to 300 feet behind when riding from sunset to sunrise or whenever visibility is poor.
- **Never ride double.** Most state laws forbid two people on one bike.
- Learn the **laws on bike helmets in your state or province.**

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

## Knowledge of Parts

Study the nine safety checks listed. Be able to point out at least seven of the nine parts to your leader and why each part should be checked. Study and practice these at home to pass the test at Club.

1. Seat – On tight? Right height/tilt?
2. Grips – Worn? Loose?
3. Handlebars – Tight? Proper height?
4. Wheel Bearings – Grind? dry?
5. Spokes – Loose? Bent? Broken?
6. Tires – Worn? Low? What does a worn tire look like?
7. Pedals – Worn? Slippery?
8. Chain – Too tight? Too loose?
9. Brakes – Smooth? Safe?

# Campfires

Your Club leader or a knowledgeable woodsman from your church will help to demonstrate the important features of building three types of fires for use in outdoor camps.

## Fire-Building Information

Fire-building is an ART that must be learned. And as such, there are certain basics you must learn before going out into the woods. Read over all of the information below. You will be tested over it in the Requirements Section.

### Gathering Materials for Your Fire

There are three types of materials you will need to collect to have a good start for your fire.

**Tinder:** Tinder is very light wood which will flare up easily when you touch it with a match. Gather a good handful before starting. This material could be very thin pieces of bark (never green or growing bark—never strip off bark). Small twigs can be found around trees, dry grass, weeds, leaves, or anything that is dry and small. Never use gasoline to start a fire.

**Kindling:** Kindling is small, dry sticks used to catch the rising flames from your tinder. Never use green wood or strip limbs off any tree still growing. The ground usually holds enough dead wood for any fire. Green wood will only bend, while dead wood will “snap” when broken into shorter pieces.

**Fuel:** For fuel, use whatever larger pieces of wood you find from fallen trees or broken limbs. Break it into pieces 12 to 18 inches long. Wood from pine trees will burn but will usually have excessive smoke. Seek to use hardwood for your camp fire, such as oak, maple, birch, or ash.

### Making Your Fire

The first thing to remember is “Safety First.” Clear a circular area of about 10 feet around on all sides of your fire pit. Make sure there are no overhanging branches from trees that might catch on fire. Now, determine what kind of fire you need. Campers have a slogan for the kind of fire needed for cooking: “FLAMES FOR BOILING—COALS FOR BROILING.”

# Campfires

## Three Basic Types of Fire Lays

**1. Indian Teepee Fire:** Begin this fire by placing one or two handfuls of tinder in the very center spot for your fire. With the “kindling” sticks you have now gathered, form sticks (with a small portion sticking into the ground) as if you are making a small teepee. The sticks come together at the top, as they lean into each other. Keep it in close so that the tinder will burn the teepee sticks quickly. Once these flare up, add larger sticks until a good flame is going, then you are ready to lay larger wood flat on the fire.

**Indian Teepee Fire**

**2. Rock Fireplace:** Three or four large rocks form the ring for this fire, leaving a center “nesting” area for your fire. This is a good fire for cooking, with pans having a rock to lean on. Your Club leader should help you to decide upon the proper rocks. A word of caution: your fire must touch only the corner of the large rocks. Rocks explode when they are placed on or in a very hot fire. Do not use small rocks near a fire.

**Rock Fireplace**

**3. Hunter’s Fireplace:** Two large hardwood logs are placed side by side to form a resting place for this fire. These logs are large enough that it would take your campfire a long time to ignite them. Thus, you can use the logs to hold your pan or skillet over the fire. You will often need the help of an axe or saw to form the right length of log. The two open ends allow oxygen to reach your fire.

## Requirements

1. Satisfactorily build any one of the three types of camp fires. Learn the basic use of each of the three fires. Include a support over the fire to hold your utensils. Use rocks, large logs, or other suitable support objects. Be prepared to pass an oral quiz on “Three Basic Types of Fire Lays.”

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

2. Talk to your leader about the safety precautions when using a knife, hatchet, or axe in the woods. Always wear safety glasses!

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

3 Prepare yourself for an oral quiz over Tinder, Kindling, and Fuel. While at the campsite, be able to explain how to gather it, the difference between each, and the purpose for each.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

4. Fires should never be built close to trees, overhanging branches, bushes, heavy twigs, or grassy areas. The area should be at least ten feet from any possible danger. Show your leader two other places near your camp area where a safe fire could be built. Tell your leader of any obstacles you would remove.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

5. After building your campfire to the satisfaction of your leader, demonstrate the following techniques in extinguishing your fire. Never leave a campsite without extinguishing the fire. Demonstrate both ways below:

***Extinguish with water:***

Pour water on your fire then stir the embers. Repeat until very wet. Every ember must be out COLD!

***Extinguish with soil:***

If water is scarce or far away, you may have to use the natural resource of dirt. Stir the soil into the ashes as you would with water. Stir and repeat several times. You are taking away the oxygen needed for fires to continue.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

6. Always leave your camp and fire site as you found it, or in better condition. Put all natural growth, rocks, logs, etc., back before you leave. Future campers should see little or no evidence that you were ever there before them.

## Hiking Information

### Foot Care

Hiking can be a fun or a miserable experience, depending upon the condition of your feet. So wash your feet at least once a day, and use foot powder to control irritations. Be sure that your toenails are well trimmed before starting on a hike. Wear clean socks and well “broken-in” shoes. In the weeks before, take small hikes around the neighborhood, increasing the length each day. This helps toughen your feet before the long hike. Remember, most feet are not conditioned for long, extended walking. Feet are actually tender unless toughened by long walks. Socks should fit perfectly. If too long, they will wrinkle and rub. If too short, they will bind and cramp your toes. Holes in toes or heels will allow sores to begin quickly. On long hikes, you should always carry a second pair of socks. Use the tops of socks to wipe moisture from your feet. It is equally important that your shoes fit well too. If too big, blisters will occur. If too small, your feet will cramp.

### Time and Distance

A very good hiker can travel 20 miles in a day. A few experienced hikers can travel 30 or more miles a day. If you only hike occasionally, those distances should not even be considered as your goal. It takes 6 hours and 40 minutes to walk 20 miles a day and that is at a very brisk pace. That means no time out for lunch, resting, or enjoying the scenery. So for most of us, a 5-10 mile hike is plenty, and it will be enjoyable. Your watch can measure the miles: 3 miles in one hour, 1 mile in 20 minutes, and 1/2 mile in 10 minutes. It takes about 1 hour and 40 minutes to hike 5 miles away; and remember, it takes the same to return.

Always make sure others know where you are going and when you intend to return, because accidents do happen. Never hike alone.

### Safety

Always keep away from railroads and highways. When you must be on a road for a while, hike single file along the left shoulder, hiking towards the oncoming traffic. If a night hike is necessary, use flashlights, and/or tie a white handkerchief around your leg.

Hitchhiking should never be an option for you. That is extremely dangerous. You do not want to be in a car or truck with someone who has been driving around looking for someone like you.

If caught in a thunderstorm, never seek shelter beneath a large tree. Do not stay on a hilltop. Do not hide under a bank of mud and rocks which may slide when heavy rains come down. You must also avoid areas like these where lightning may strike. A dense area of woods, groves of young trees or ditches and ravines are some of the “safer” places to wait out an intense storm.

## Requirements

1. Read the Hiking information above. Study the topics about hiking. When ready, ask your Club leader for a written test over the notes you have studied. If you are unable to pass your quiz, you will be able to retake the same quiz once each week until you pass.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

2. Under your leader's supervision or knowledge, you must take a full distance four-mile hike or two two-mile hikes. Whatever is approved by your leader and properly supervised is your requirement.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

3. Following each hike, write a 100-word report. Include the following: date of your hike, time of hike, place, number in group, weather, provisions taken, any wildlife observed, and special features.

**Leader Passed** \_\_\_\_\_ **Date:** \_\_\_\_/\_\_\_\_/\_\_\_\_

4. THE OUTDOOR CODE. Know and be able to quote the four main headings. Memorize only the headings but be able to explain to your leader what each means.

As an outdoorsman, I will do my best to:

- a. **Be clean in my outdoor manners.** I will treat the outdoors as a heritage from God to be improved for our greater enjoyment. I will keep trash and garbage out of woodlands, waters, fields, and roadways.
- b. **Be careful with fire.** I will prevent wildfire. I will build my fire in a safe place and be sure it is out before I leave.
- c. **Be considerate in the outdoors.** I will treat public and private property with respect. I'll remember that use of the outdoors is a privilege I can lose if I abuse.
- d. **Be conservation minded.** I will learn how to practice good conservation, and I will urge others to do the same. I will use sportsmanlike methods in all my outdoor activities. (Conservation means not destroying the things around you. It means being a good steward of what God has given to you.)
